

# Bradley Brown Corporate

A professional construction and architecture theme that embodies trust, precision, and structural excellence, perfectly matching the Bradley Brown Inc brand identity.

## Color Palette

- **Corporate Blue:**  #003D82 - Primary brand color from logo, used for headers and key elements
- **Deep Navy:**  #002855 - Darker accent for depth and contrast
- **Steel Gray:**  #6B7280 - Professional neutral for body text
- **Light Gray:**  #F3F4F6 - Subtle backgrounds and section dividers
- **Clean White:**  #FFFFFF - Primary background and contrast
- **Accent Blue:**  #0066CC - Interactive elements and highlights
- **Sky Blue:**  #E6F0FF - Soft highlight backgrounds

## Typography

- **Headers:** Montserrat Bold (or Arial Black as fallback)
- **Body Text:** Open Sans (or Arial as fallback)

## Best Used For

Construction presentations, project proposals, corporate communications, client-facing materials, architectural design decks, progress reports, and business development presentations. This theme conveys stability, expertise, and the precision of professional construction services.
